Guide for Trials and Selection

State Premier League and Reserves Squad, AMND and Intermediate 1

The Club will be conducting the 2019 '**Premier League (PL) Squad**' selections with two trials with the possibility of a third trial if required.

After the first trial the club may need to reduce numbers (i.e. 'cut' athlete numbers based on the knowledge, demonstrated skill and attitude along with 'squad' requirement etc.) for the second and or third trial.

Registrations

1. By those athletes that would like to be considered for AMND League and Intermediate 1 Teams for the 2019 AMND Winter season **MUST** trial.
2. Complete the online application form prior to the closing date advised.
3. All communication and correspondence is via email the clubs secretary to the nominated athletes email address.

Trials and Selections Processes

1. Athletes will be selected to form the **PL Squad** for the 2019 season; the squad will consist of **PL and PL Reserves** teams plus **extended squad members** from AMND League and Intermediate 1.
2. Athletes not selected in the PL squad but are selected in the AMND League and Intermediate 1 teams will have the opportunity to be a part of the '**Futures Squad**' in the clubs '**High Performance Program**' (see below).
3. Athletes not successful from the trials process will be encouraged to trial for the clubs 2019 winter season for the AMND competition for Senior and Intermediate teams placements.

Successful Athlete Selections

1. Each athlete offered a place in the squad will be required to complete a Netball SA Premier League Standard Playing Agreement along with the club scheduled agreement that include athlete's commitment to sponsorship fees, club program etc.
2. It is the athlete's responsibility to understand the content of the club agreement and acknowledge their obligation is to the whole club (i.e. not just the 'squad' but the AMND competition and other club programs etc.)

High Performance Program

Managed by the clubs Head Coach (HC) and PL coaches to talent identify and provide development opportunities for up and coming athletes of the club who show potential to be an elite netballer at the club in the SA Premier Netball Competition or Netball SA and Netball Australia pathways. The program ultimately aims to increase the clubs ability to maintain our position as one of the top clubs in the SA Premier Netball Competition and strive for excellence and success.

Selections and Targeted Development

Selection in the *Futures Squad* is an opportunity for the HC and PL coaches to work with identified athletes to add value to their development at the club by extending their current skill set and capabilities. In turn athletes will present at a higher performing level when being consideration for selection in the *Elite Squad*.

Elite Squad

PL and PL and Reserve teams provided with a pre-season and in-season Daily Training Environment (DTE) and includes pre- season, technical, tactical, strength and conditioning, along with ongoing skill development and specialist training.

Futures Squad

PL Extended Squad, AMND League and Intermediate 1 teams and identified Junior 1 athletes are targeted athletes who show a high potential to be part of the Elite Squad over the next few seasons. This programs aims to ensure these athletes develop the skills to play at an elite level. These athletes are exceptional in their age groups, and show the interpersonal traits, skills and game sense to play elite netball with assistance in their development.
